
GDPR Statement

At Northern Industrial, we are committed to data privacy and the protection of our clients'/ customers' data. General Data Protection Regulation (GDPR) compliance for us has required the development of our current information security management, improving and maintaining key data protection and privacy controls, and auditing the information we hold. To ensure our continued and improved compliance with GDPR we will follow the below principles:

- Process data fairly and lawfully;
- Process data only for specified and lawful purposes;
- Ensure that the data processed is adequate, relevant and not excessive;
- Ensure that the data processed is accurate and where necessary, kept up to date;
- Ensure that data is not kept long than necessary;
- Ensure that data is processed in accordance with an individual's consent and rights;
- Store data securely; and
- Ensure that data is not transferred to countries outside of the European Economic Area (EEA) without adequate protection.

What does this mean for our Clients/ Customers?

As a client/ customer of Northern Industrial, we will only process your data if it complies with the principles set out above. If at any point, you feel that data we hold for you is inaccurate or needs to be updated, please inform us as soon as possible, and we will arrange for this to be amended.

GDPR also gives individuals the right to be forgotten. If you would like to exercise your right to be forgotten, please contact us on 01254 673747 and/ email us at Sales@nicontrols.com to outline what data you would like us to remove and your reasons. There may be circumstances where we will be unable to process your request, however, we will assess each request on an individual basis.
